# A. Introduction

**Sanskrit** has played a vital role in the development of all Indian languages and in the preservation of the cultural heritage of India. It becomes essential to preserve and propagate Sanskrit for all-round development of India. The Sanskrit Commission, appointed by the Government of India in 1956, has recommended that support and patronage should be extended to important active private academies and bodies which are working for the popularization of Sanskrit in their respective regions.

The Government of India, in pursuance of the recommendations of the Sanskrit Commission (1956-57) constituted a Central Sanskrit Board, which recommended the establishment of a Rashtriya Sanskrit Sansthan. The Rashtriya Sanskrit Sansthan was established in 15th October, 1970 as an autonomous organisation registered under the Societies Registration Act, 1860 (Act XXI of 1860) for the Development and Promotion of Sanskrit at all over the country. It has been declared as Central Sanskrit University, Delhi (CSU) since 30th April, 2020 through an act passed by Parliament of India. It functions as an apex body for propagation and development of Sanskrit and assists the Ministry of Education in formulating and implementing various plans and Central Schemes for the promotion and development of Sanskrit studies.

The Government of India has introduced various Central Schemes for the promotion of Sanskrit by way of extending financial assistance to the applicants falling under respective schemes. These schemes were stand transferred alongwith budget provisions to Central Sanskrit University, Delhi (formerly Rashtriya Sanskrit Sansthan(RSkS)) for their execution and implementation on the recommendations of duly constituted Grants-in-Aid Committee (GIAC). After the transfer of various schemes from time to time (in 1979, 1986, 1991, 1995 and 2006), they were last revised in year 2007. Further, the schemes for 'Pali & Prakrit'since 2009 and Ashtaadashi (18 Projects) since 2016 are also implemented by Central Sanskrit University as per the directions of Ministry of Education. Currently, all 13 Central Schemes are being implemented through the Central Sanskrit University as the nodal agency of Ministry of Education, Government of India for overall promotion and development of Sanskrit language & education.

The following Schemes have been reviewed & revised by merging the various components of the Scheme for Development of Sanskrit Education with its Scheme for Financial Assistance to Voluntary Sanskrit Organizations, Institutions and Pathshalas for Promotion of Sanskrit during the year 2007-08. These reviewed Schemes were renamed as 'Scheme for Development of Sanskrit Education'. These schemes were reviewed and revised from time to time as per Government norms and now renamed as "Scheme for Promotion of Sanskrit". The revised guidelines for the Schemes have been approved by the Ministry of Education on 30.09.2022.

## Introduction

Rani Padmawati Tara Yog Tantra Adarsh Sanskrit Mahavidhyalaya was founded by Lt. Pandit Krishna Mohan Thakur in Nepali Khapra, Varanasi in 1981 to promote and conserve Indian culture and Sanskrit Language. This mahavidyalaya was established during the chairmanship of Prof. Jaimant Mishra, then Vice Chancellor of Kameshwar Singh Sanskrit Vishwavidyalaya, Darbhanga, Bihar. In 1992-93 mahavidyalaya was transferred to Indrapur ,Shivpur, Varanasi from Nepali Khapra, Varanasi due to paucity of adequate place. Trustees of the mahavidyalaya, Prof. Udaikant Chaudhary - chairman, Pandit Shishir Nath Mishra - Vice chairman and Pandit Purnendu Shekhar Mishra - Secretary decided in a meeting to have an affiliation for the mahavidyalaya from Rashtriya Sanskrit Sansthan-New Delhi.

As a result of efforts made by Prof. Yugeshwar Jha, Member of executive committee and Ex-State Education minister (Govt. of Bihar) six traditional subjects (Sahitya, Vyakaran, Darshan, Ved, Karmkand and Jyotish) were approved during directorial tenure of Dr. Priyadarshi Thakur, then director of Rashtriya Sanskrit Sansthan - New Delhi.

Continuously heading towards success, this mahavidyalaya was absorbed under the scheme of "Financial Assistance to the Institutions Recognized as Adarsh Sanskrit Mahavidyalaya/Shodha Sansthan" on 29th October, 1998 during the directorship of Dr. Kamalakant Mishra, Rashtriya Sanskrit Sansthan - New Delhi and the chairmanship of Prof. Kailash Pati Tripathi-former Head of the Department of Sahitya, Sampurnanand Sanskrit Vishwavidyalaya, Varanasi.

The encyclopedia traces and records historical and linguistic development of Sanskrit language in all spheres from Rigveda to latest Hasyarnava (1850 AD).
