<p><b>For scheme (V) - Shastra Chudamani</b></p>	<p>The objective of the scheme is to preserve the indepth study of various shastric subjects in Sanskrit at various centres where traditional system of Sanskrit education is being imparted to students. While in the ancient days, the system of education envisaged a full time association of the teacher who taught for a minimum period of about 12 years and had enough time to cover the various intricate Shastric subject in all details and the students had the opportunity to acquire mastery over particular subject in a comprehensive manner. In the recent past, the modern system of education, having prescribed syllabus for a limited period with selection from text-books, has influenced the Sanskrit Education system as well and as a result even Sanskrit subject where students are supposed to have specialized at the post graduate level, due to shortage of time available, there is no scope for teaching the higher texts in detail and in full. As a result the products of this system, though they are quite proficient in the basic talents of their subjects are lacking in depth and exhaustive knowledge of the higher treatises in these subjects. We are now to recruit young teachers and lecturers and though they are interested in pursuing their studies further, they don't have the facilities to do so in the modern institutions. A few old scholars still alive and physically and mentally alert can be usefully utilized for a few more years. Financial Assistance for Utilization of services of Eminent Sanskrit scholars in Adarsh Sanskrit Pathshalas and other State run Sanskrit Colleges and Voluntary Sanskrit Organization –</p> <p><b>(A) Old (Veteran/Traditional) Sanskrit Scholars</b> who are physically and mentally alert and are masters in their own field can also apply. <u>Degree is not required in this case.</u></p> <p><b>(B) New Sanskrit Scholars-</b></p> <p>(i) Applicant should be a retired Sanskrit Scholar with minimum 12 years of experience.</p> <p>(ii) Applicant who already had been engaged as Shastra Chudamani in the past need not to apply again.</p>

	<p>(iii) A copy of all qualification certificates, experience certificate should be submitted alongwith the application form.</p> <p>(iv) Application form may be forwarded by the Head of the Institution preferred by the Scholar for teaching.</p>
<p><b>For scheme (VI) Vocational Training</b></p>	<p>While adequate attention has been given to the formal education system, the same given to the promotion of vocational system of education especially in Sanskrit has been insignificant although it has large employment potential. There are several fields in which persons with Sanskrit knowledge are required and the students of general stream do not fit into them for lack of vocational training. For example, the rich manuscripts libraries in the country which are getting increasing patronage from the State Governments and the Department of Culture, Govt. of India, require a number of Sanskrit knowing youngsters to take up jobs of cataloguers, editors, translators, manuscriptologists, paleographers and copyists. Most of these institutions are forced to employ people from the general educational set up who do not have adequate Sanskrit background. Similarly, the museums, epigraphic departments, Archaeological Departments, the tourist Department and institutions specializing in historical research also need the services of Sanskrit students who have a special aptitude for the respective jobs. Even the printing industry is suffering from dearth of qualified Sanskrit composers and the Society at large does not have enough qualified persons in Karma Kanda.</p> <p>In order to meet the needs of all the above categories of employment, the products of Sanskrit Vidyapeethas and Mahavidyalayas have to be given some special orientation course in the respective subjects. This would not only enlarge the employment possibilities of the products of Sanskrit Institutions but also provide the nation with properly trained personnel with absolutely necessary Sanskrit background to man these jobs.</p> <p>In order to achieve the above objectives, the Rashtriya Sanskrit Sansthan, New Delhi provides the financial assistance is provided to registered academic bodies to provide short-term orientation courses to three categories of Sanskrit Pathshala products, mainly for those who have passed (i) Madhyama (ii) Shastri (B.A.) and (iii) Acharya (M.A.).</p> <p>These course may be conducted for different durations of 3 to 9 weeks during the holidays. During this period, academic bodies may invite specialists in the various fields to give coaching to the students in any of the subjects' i.e. Manuscriptology, Cataloguing, Paleography, Ritualogy, Sanskrit Typing and Short Hand, Sanskrit composing and Proof Reading &amp; Epigraphy etc.</p>

	<p>(i) The training should be of 3 to 9 week of duration.</p> <p>(ii) The training should be conducted in any of the subjects– (1)Manuscriptology, (2) Cataloguing, (3) Paleography, (4) Ritualogy, (5) Sanskrit Typing and Shorthand, (6) Sanskrit Composing and Proof Reading and (7) Epigraphy</p> <p>(iii) The course is mainly for those students who have passed Madhyama, Shastri(B.A) and Acharya(M.A) .</p> <p><b>Release of funds would be made in two installments. First 75% and second 25% .For release of remaining 25% amount it is required to submit–</b>A copy of audited accounts of the organization for the year of grant which comprises</p> <p>(g) Income &amp; Expenditure account</p> <p>(h) Receipt &amp; Payment account</p> <p>(i) Balance sheet</p> <p>(j) Audit Report duly certified by Chartered Accountant on his Letter Head mentioning “True &amp; Fair”. Auditor Report should be in the format and manner prescribed by ICAI (Institute of Chartered Accountants of India). <b>Audit Report should be prepared as per SA(Standard on Auditing) 706 and AAS(Auditing and Assurance Standard ) 28</b></p> <p>(k) Auditor should mention his membership Number below his signature. He should clearly mention his ACA/FCA status.</p> <p>(l) In case of Sanskrit University/Sanskrit deemed university Audit Report has to be certified by CAG/AG office.</p>
For Scheme (VII)	Financial Assistance will be provided to the Universities/Deemed Universities/CBSE/NCERT/SCERT etc for schemes to improve the methodology of teaching Sanskrit in schools, Sanskrit colleges/Vidyapeethas and for orientation of teachers towards this end. Appropriate NGOs may be associated by these institutions in the teachers training efforts.
