## 7.2 Shri Sadashiva Campus, Puri (Odisha)

### About the Campus

Shri Sadashiva Campus, Puri (Odisha) one of the largest Campuses of Rashtriya Sanskrit Sansthan, New Delhi, has a history, going back to 1865, when, as a result of the initiative of Late Pt. H.H. Dash, an erudite and eminent scholar of the time, it started as a Sanskrit Toll with financial assistance from His Highness Digvijaya Singh Bahadur of Balarampur (UP). It became a school in 1888 under the supervision of a committee headed by the Collector of Puri. As a result of the untiring efforts of Shri Sadashiva Mishra, a brilliant alumnus of the Toll/School, the institution was given a rent-free gift of the present premises by the Government of Odisha and Bihar and was raised to the level of a college around the year 1918. In 1951, the state Government named the College after Shri Sadashiva Mishra in recognition of the services rendered by him to the institution. On 15.08.1971 Sadashiva College was taken over by Rashtriya Sanskrit Sansthan, New Delhi and it came to be called Shri Sadashiva Sanskrit Kendriya Sanskrit Vidyapeetha. On 07.05.2002 when Rashtriya Sanskrit Sansthan, New Delhi, was granted the status of Deemed University, this institution came to be called Shri Sadashiva Campus of Rashtriya Sanskrit Sansthan.

### 7.3 Shri Ranbir Campus, Jammu (Jammu and Kashmir)

#### About the Campus

The sacred soil of Kashmir has witnessed the birth of such illustrious scholars as Kalhan, Bilhan, Mammata, Anandvardhan, Bharmah and Kshemendra whose literary compositions have greatly enriched Sanskrit literature. If contribution made by Jammu and Kashmir is segregated from Sanskrit literature the latter will certainly lose its lustre.

The Government of India had constituted Sanskrit Commission in 1954 for the teaching and propagation of Sanskrit. The chairman of this Commission was the celebrated scholar Prof. Suniti Kumar Chatterjee. He submitted his report after two years in 1956. He recommended that the centres of Sanskrit be opened in all states of India which would be converted into Universities in due course of time.

Sri Ranbir Singh, the noble son of Maharaja Gulab Singh, the founder of the state of Jammu and Kashmir, had unfailing love for Indian culture. He had constructed temples and opened Sanskrit Schools, dispensaries, libraries etc. for the enrichment and spread of Sanskrit.

He founded Sri Ragunath Sanskrit College in 1838 where not only students belonging to Jammu and Kashmir, but also from different parts of India and Nepal studied and obtained degrees.

Keeping the recommendation of the Sanskrit Commission in view the then Ministry of Education took a decision of establishing a centre of Sanskrit in the state of Jammu and Kashmir. Consequently Sri Raghunath Sanskrit College established by Maharajadhiraj Sri Ranbir Singh was taken over by the government on the 1st day of April, 1971 and its name was changed as Sri Ranbir Kendriya Sanskrit Vidyapeeth, Jammu.

In 2002 a Committee nominated by the University Grants Commission under the chairmanship of Prof. V.R.Panchmukhi made a declaration that Sri Ranbir Kendriya Sanskrit Vidyapeeth would thenceforth be known as

Rastriya Sanskrit Sansthan (Deemed) University, Sri Ranbir Campus. On the next day in the presence of all the teachers and Professors in particular Prof. Priyatam Chand Shastri, Acting Principal, Prof. Kewal Krishna Shastri, Prof. Vishwamurti Shastri and also under the supervision of Prof. Yashpal Khajuria the foundation-stone of the new building of Sri Ranbir Campus, Kot-Bhalwal was laid down by Prof. Vempatikutumb Shastri.

In compliance with the direction of the then Education Minister Sri Arjun Singh, Dr. Karn Singh inaugurated the new building of the Campus on the 18th day of March 2007. Thenceforward Prof. Vishwamurti Shastri worked as the first Principal of this new Campus.

On the occasion of the convocation of the Sansthan in New Delhi the Vice-Chancellor Prof. Radhavallabh Tripathi and the Human Resource Development Minister (Government of India) Sri Kapil Sibal inaugurated the Boy's and Girl's Hostels through Internet and on 27.02-10 on the occasion of the Annual Function of the Campus also uncovered stone carvings. Under the adroit leadership of the Ministry of Education, Hon'ble Vice-Chancellor of the Sansthan and Hon'ble Registrar thereof the Campus is progressing day by day.

In the context it is to be specifically mentioned that in the Annual Function held in the year 2009 the Vice-Chancellor had given permission to commence classes for Sikhacharya (M.Ed) course which will be of great advantage for students belonging to Jammu-Kashmir, Himachal Pradesh, Punjab and Haryana.

Upon application the Vice-Chancellor was graciously pleased to permit starting of the Department of Vedacharya from the session 2010-2011 which occasioned the commencement of a new auspicious division amongst the various departments of the campus.

The first Principal of this Vidyapeeth was Dr. Anant Maral Shastri who was succeeded by Dr. Dayanand Bhargava, Dr. J.Ganguli, Dr. Mandan

Mishra, Dr. Anant Maral Shastri himself as Principal-in-charge, Dr. Murlidhar Pandey, Dr. Jagannath Pathak, Dr. Raghav Prasad Choudhury, Dr. Ram Kishor Shukla Dr. Priyatam Chand Shastri (Principal-in-charge) and Dr. G.Ganganna respectively. Thereafter Prof. Yashpal Khajuria worked as Principal-in-charge.

### **Introduction**

Under the Ministry of Human Resource Development, Government of India, Rastriya Sanskrit Sansthan, New Delhi is the sole largest multi-campus Deemed University in the world. At Present Hon'ble Prof. Radhavallabh Tripathi is its Vice-Chancellor. There are ten Campuses of Rastriya Sanskrit Sansthan in the country. Jammu based Sri Ranbir Campus one of these ten Campuses. This Campus has been constructed on a land measuring 84 canals.

### **Objectives and Background**

Maharajadhiraj Sri Ranbir Singh had founded Sri Raghunath Sanskrit Mahavidyalaya 173 years before in the year 1838 in Jammu province for the propagation of the traditional and vast as well as wonderful knowledge imparted by Sanskrit learning. The central Government took over it on the 1st day of April, 1971 and named it as "Sri Ranbir Kendriya Sanskrit Vidyapeetha." Subsequently Rastriya Sanskrit Sansthan got the status of the largest multi-campus Deemed University. Since then Sri Ranbir Campus Rastriya Sanskrit Sansthan is well-known as a Deemed University.

### **Subject and Departments**

According to the syllabi there are eight departments in Rastriya Sanskrit Sansthan, Sri Ranbir Campus. They are as hereunder:

1. Department of Vyakarana
2. Department of Sahitya
3. Department of Darshan
4. Department of Siddhant Jyotish and Phalit Jyotish.
5. Department of Vedas
6. Department of Education (Shiksha-Shastra)
7. Kashmir Shaiv Darshan Scheme.
8. Centre for Distance Education.

### **Study-Teaching and Research**

Under traditional educational system Sri Ranbir Campus imparts knowledge of modern subjects also in a co-ordinated way. In accordance with the direction of Sansthan's headquarters Semester system has already been introduced. Classwise study and teaching arrangement in the campus is as follows:

#### **(i) Traditional Sanskrit Studies**

In consonance with traditional Sanskrit learning there is arrangement for studies in Pre Shastri (10+2), Shastri 3 years course (6 semesters / B.A.) and two years Acharya course (4 semesters / M.A.) in Sri Ranbir Campus. In these classes grammar, literary theories (Sahitya-Shastra), Philosophy, theoretical and result-based astronomy (Phalit-Jyotish) and the Vedic literature are taught and along with these traditional classical subjects Hindi, Dogri, English, History, Political Science, Computer and Environmental Science and other modern Subjects are also taught.

#### **(ii) Vocational Education**

Under the scheme of Vocational Education there is arrangement for training the students of Education on departments for Shiksha Shastri-one-year (B.Ed) and Shikshacharya-one year (M.Ed).

#### **(iii) Research Works**

With a view to providing adequate guidance to research students for multidimensional research in relevant subjects related to different branches of Sanskrit learning for the award of the degree of Vidya Varidhi (Ph.D.) there is sufficient arrangement in Sri Ranbir Campus. 104 researchers were awarded the degree of Vidya Varidhi (Ph.D.) in this Campus to date.

#### **Distance Education Centres**

After getting recognition from Distance Education council Rastriya Sanskrit Sansthan started the Distance Education Institute in the previous session for the world-wide spread of Sanskrit. This Distance Education centre has been named as 'Muktaswadhyaya Peetham' (M.S.P.). All Campuses of the Sansthan including the Headquarters have been made Distance

Education Centres. Thus Sri Ranbir Campus has also welcomed a distance education centre with effect from previous session. Here studies and teaching appertaining to Prak-shastri (10+2), Shastri (B.A.) and Acharya (M.A.) have been started commenced through Semester system. An extraordinary advantage of Distance Education Programe is that it has made gracious provision for the entry of Non-Sanskrit Students as well as inquisitive learners through Bridge courses at different stages. Under this scheme students are provided not only with materials from books but also audio-visual instruments so that persons who are not acquainted with Sanskrit can also acquire general knowledge of this divine language as well as knowledge of Shastras with ease and through a short route within a very limited time-frame.

Previously Distance Education Programme began with subjects such as literature, grammar and astronomy, but for the future there is a definite programme to include other Shastric subjects for distance learners. In addition to these, certificate programmes will also be started very soon for Dramatics (Natyashastra) Journalism, Pali, Prakrit and other subjects.

The Headquarters of the Sansthan, Mukta-swadhyayapeetham and all lovers of Sanskrit deserve felicitations for the introduction of this new scheme of far-reaching importance at the behest of Hon'ble Vice-Chancellor Prof. Radhavallabh Tripathi.

## **8.3 SHASTRA CHUDAMANI SCHEME**

**The Scheme for the utilization of the services of Eminent Literary Scholars in Campuses of the Sansthan, Adarsh Sanskrit Pathashalas and other State Government run Sanskrit Colleges and Voluntary Sanskrit Organisations.**

### **Objective**

The object of the scheme is to preserve the indepth study of various shastraic subjects in Sanskrit at the various centres where traditional system of Sanskrit education is being imparted to students. While in the ancient days, the

system of education envisaged a full time association of the teacher and the taught for a period of about 12 years minimum and they had enough time to cover the various intricate Shastraic subjects in all details and the students had the opportunity to acquire mastery over particular subject in a comprehensive manner. In the recent past, the modern system of education, having prescribed syllabus for a limited period with selection from text-books, has influenced the Sanskrit education system as well and as a result even Sanskrit subject where students are supposed to have specialised at the Post Graduate level, due to shortage of time available, there is no scope for teaching the higher texts in detail and in full. As a result the products of this system, though they are quite proficient in the basic tenets of their subjects are lacking in indepth and exhaustive knowledge of the higher treatises written in these subjects.

Soon after they passed out of the post-graduate level, domestic needs compel them to enter into a bread winning avocation. Out of such post-graduate candidates we are now to recruit young teachers and Lecturers and though they are very much interested in pursuing their studies further, they dont have the facilities to do so in the institutions where they are employed. As a result while these Lecturers efficiently fulfil their part of coaching students for their respective examinations, they do not get eminence in their respective branches which their predecessors two or three decades ago were able to achieve. Their academic interest should not be exploited and their scholarly lacunae should be removed so that they are better equipped to serve the cause and would be able to produce a generation of students who would be really the masters in their respective subjects.

In order to achieve this objective, there are fortunately for us, a few old scholars still alive and physically and mentally alert and they may be usefully utilised for a few more years. They are not necessarily scholars with any university degree or qualifications but still they are masters in their own fields and there would not be any compunction on the part of the young teachers to study under their feet. They will also be adding to the academic atmosphere of the

institution and will be readily available to clear the doubts of both the teachers and the taught.

### **Implementation**

Under this scheme, not more than two scholars in each of the Campuses of the Rashtriya Sanskrit Sansthan, Adarsh Sanskrit Pathshalas, Sanskrit Universities and one scholar in established Sanskrit Colleges run by the State Government or substantially financed by the State Government and Voluntary Sanskrit organisation are normally appointed. Such appointments are made on recommendations of Grants-in-Aid Committee consisting of the experts on the basis of applications received through the concerned institution. The appointment so made is initially for a period of two years. An extension of one year may, however, be granted by the committee on the basis of specific report of the Head of the Institution. An honorarium of Rs. 6000/- per month is paid to the appointed scholar.

During the year under report, 70 Shastra Chudamani Scholars were selected for appointment in different institutions.

### **8.4 VOCATIONAL TRAINING SCHEME Financial Assistance to Registered Academic Organisations to conduct "Prayogic Prashikshan" to the products of Traditional Sanskrit Pathshalas/Institutions.**

With a view to creating employment opportunity for the traditionally educated candidates in some specialised departments, a scheme of extending financial assistance to registered academic bodies to provide short term orientation courses to the products of traditional Sanskrit Pathshalas/Institutions was introduced. The subjects to be taught are Manuscriptology, Cataloguing, Paleography, Sanskrit Typing and Short Hand, Jyotisha, Karmakanda and Epigraphy etc.. These training courses are conducted for different short terms; normally for three to nine weeks. During this period, academic bodies may invite specialists in respective fields to give coaching to the students. Intending institutions are required to

apply in a prescribed application form for holding any such programme. They have also to advertise the short term courses in the local news papers and invite applications from students who want to avail of it. There may be a normal registration fee of Rs. 5/- per student. Each student is paid an out of pocket allowance of Rs. 10/- per day for which he is given the training. The specialist instructor is normally paid an honorarium of Rs. 100/- per day.

Detailed applications are considered by an Expert/Grants-in-Aid Committee for making recommendations on merit. The Sansthan releases 75% of the total estimated expenditure as approved by the Committee in advance to the institution concerned and the remaining 25% on receipt of the audited accounts and a report of the vocational training course.

### **8.5 SANSKRIT DICTIONARY PROJECT**

The project to prepare an encyclopaedic Sanskrit Dictionary on historical principles spanning the period from 1500 B.C. upto 1900 A.D. has been undertaken by Deccan College, Pune. The project was started in the year 1948. The Department of Sanskrit Dictionary Project, Deccan College, Pune is headed by the General Editor and so far 9 volumes of the dictionary have been brought out. The project was primarily financed by the Government of India and to some extent by the Government of Maharashtra. During the year 2011-12, a sum of Rs. 30.00 lakh was released to Sanskrit Dictionary Project by the Rashtriya Sanskrit Sansthan.

### **8.6 SCHEME OF THE PRESIDENTIAL AWARD OF CERTIFICATE OF HONOUR TO SANSKRIT, PALI/PRAKRIT, ARABIC AND PERSIAN SCHOLARS**

From the year 2008, the scheme was further extended to cover one

Such young scholars should have made a break-through in inter-disciplinary studies involving contribution of Sanskrit or ancient Indian wisdom, to the process of synergy between modernity and tradition and Scientist and I.T. professional working for promotion of science in these languages.

The assistance under the scheme is sanctioned to a maximum of 80% of the actual cost of production in case of original writing and a maximum of 50% in case of research thesis. However, for descriptive catalogue of rare manuscripts the assistance may be upto 100% of the expenditure.

The applicants have to apply for publication grant in a prescribed application form along with estimated cost of production from two different printers and about thirty five pages of the proposed work. The specimen pages so received are submitted to the experts for thier opinion on utility of the work. The proposal and the expert opinion are placed before the Grants in Aid Committee for making necessary recommendations. Applicants of approved proposals have to publish the work within a period of two years from the date of sanction order. - (vi) The Mahavidyalaya should have a student strength of not less than 50 and a Shodha Sansthan should have not less than 12 active researchers.

On receipt of application for recognition, the Government would cause an on the spot inspection and assessment to be made through an Expert Committee and convey its decision to the applicant organisation about recognition. This would be followed by screening of the existing staff of the institution by a Screening Committee specially constituted for the purpose.

All the recognised Sanskrit Mahavidyalayas/ Shodha Sansthans will be eligible to be considered for financial assistance under this scheme provided that they undertake to abide by the conditions enumerated in this scheme.

## **Separate Audit Report of the Comptroller & Auditor General of India on the Accounts of Rashtriya Sanskrit Sansthan for the year ended 31 March 2012**

We have audited the attached Balance Sheet of the Rashtriya Sanskrit Sansthan (RSS) as at 31 March, 2012, the Income and Expenditure Account and the Receipts & Payment Account for the year ended on that date under Section 20(1) of the Comptroller & Auditor General's (Duties, Powers & Conditions of Service) Act. The audit has been entrusted for the period upto 2012-13. These financial statements are the responsibility of the Sansthan's management. The financial statements include the accounts of ten units of the Sansthan. Our responsibility is to express an opinion on these financial statements based on our audit.

2. The Separate Audit Report contains the comments of the Comptroller & Auditor General of India (CAG) on the accounting treatment only with regard to classification, conformity with the best accounting practices, accounting standards and disclosure norms, etc. Audit observations on financial transaction with regard to compliance with the Law, Rules & Regulations (Propriety and Regularity) and efficiency-cum-performance aspects etc., if any, are reported through Inspection Report/CAG's Audit Report separately.

3. We have conducted our audit in accordance with auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidences supporting the amounts and disclosure in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.

4. Based on our audit, we report that:

i) We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit.

ii) The Balance Sheet, Income & Expenditure Account/Receipts & Payments Account dealt with by this report have **not** been drawn up in the format prescribed by the Ministry of Finance.

iii) In our opinion, proper books of accounts and other relevant records have been maintained by the Rashtriya Sanskrit Sansthan in so far as it appears from our examination of such books.

iv) We further report that:

### **A. Balance Sheet**

#### **A.1 Assets**

##### **A.1.1 Understatement of Fixed Assets**

(i) No depreciation has been charged on library books valuing ₹ 2.22 crore resulting into overstatement of Assets and understatement of Expenditure by ₹ 1.33 crore (60% of 2.22 crore).

**A.1.2 Investment (GPF)**

The Government of India, Ministry of Finance vide Notification No. 5-88/2006-EPR dated 14.8.2008 had prescribed the pattern of investment to be followed for provident fund investment. However, the RSS had deposited the whole amount of provident fund of Rs. 17.29 crore in term deposits in banks.

**B General**

**B.1** The review of GPF accounts of Sansthan revealed the following deficiencies.

\* An amount of ₹ 63,21,871 has been paid from Main Account for interest on GPF subscription but as per consolidated Receipts & Payments account of GPF the amount transferred from Main Account was ₹ 52,04,728. The difference of ₹ 11,17,143 needs reconciliation.

\* The Capital Fund in the Balance sheet of GPF has not been worked out from the basic records on the basis of total liability towards the subscribers i.e. the total subscription received from the subscribers, interest paid/payable to the subscribers, adjustments of advances and withdrawals etc. Instead, the total of the investment and the bank balances has been taken as the Capital Fund. Therefore, the total liability towards subscriber on account of GPF and any surplus/deficit in the GPF account could not be verified in Audit.

\* An embezzlement of Rs. 11.99 lakh (tentative figure) had occurred in the Mumbai campus of RSS during the year 2008-09. Out of this, the Sansthan had shown an amount of Rs. 6.28 lakh under the head "Suspense Account" in the Balance sheet while remaining amount of Rs. 5.71 lakh relating to GPF had not been shown in accounts. During the year 2009-10, Rs. 1.00 lakh was recovered and shown in accounts. No amount was recovered during 2010-11 & 2011-12. Present status of the case was not disclosed in the Notes on Accounts.

**B.2** In the Receipts & Payments Account of NPS, the receipt on account of Sansthan share of contribution has been shown as Rs. 31,08,332 whereas in the Receipts & Payments Account as well as Income & Expenditure Account of the main accounts the amount has been shown as Rs. 38,06,915. The difference of Rs. 6,98,583 needs to be reconciled.

**B.3** In the Receipts & Payments Account of NPS, the opening cash balance has been shown as Rs. 18,27,618 whereas last year the closing cash balance has been shown as Rs. 16,82,213. The difference of Rs. 1,45,405 needs to be reconciled.

Similarly, the closing cash balance as per Receipts & Payments Account was Rs. 18,29,485 whereas in the Balance Sheet the closing balance has been shown as Rs. 16,84,080. The difference of Rs. 1,45,405 needs to be reconciled.

**B.4** Grant-in Aid of Rs. 108 crore shown in Income and Expenditure account includes Capital Grant of ₹ 8.27 crore. It resulted in overstatement of Grant in Income & Expenditure Account.

**C. Grant-in-aid**

During the year 2011-12, the Rashtriya Sanskrit Sansthan received a total grant of Rs. 108.00 crore ( Plan: Rs. 53.50 crore, Non Plan: Rs. 49.00 crore & NER Rs. 5.50 crore) from the Government of India, Ministry of Human Resource Development out of which Rs. 12.94 crore (Plan: Rs. 4.00 crore and Non-Plan: Rs. 8.94 crore) was received in the month of March 2012. The Sansthan had unspent balance of Rs. 4.28 crore (Plan : Rs. 2.63 crore and Non-Plan: Rs.

1.65 crore) of previous year. It also generated its own receipts of Rs 2.64 crore (Plan: Rs. 0.60 crore and Non-Plan: Rs. 2.04 crore). It utilized Rs. 106.70 crore (Plan: Rs. 56.46 crore & Non Plan: Rs. 50.24 crore) leaving a unspend balance of Rs. 8.22 crore (Rs. 5.77 crore under Plan & Rs. 2.45 under Non-Plan).

**D. Management Letter :** Deficiencies which have not been included in the Audit Report have been brought to the notice of the Vice-Chancellor, Rashtriya Sanskrit Sansthan through a management letter issued separately for remedial / corrective action.

v. Subject to our observations in the preceding paragraphs, we report that the Balance Sheet, Income and Expenditure Account and Receipts and Payments Account dealt with by this report are in agreement with the books of accounts.

vi. In our opinion and to the best of our information and according to the explanations given to us, the said financial statements, read together with the Accounting Policies and Notes on Accounts, and subject to the significant matters stated above and other matters mentioned in Annexure to this Audit Report give a true and fair view in conformity with accounting principles generally accepted in India:

a. in so far as it relates to the Balance Sheet, of the state of affairs of the Rashtriya Sanskrit Sansthan as at 31 March 2012; and

b. in so far as it relates to the Income and Expenditure Account of the surplus for the year ended on that date.

For and on behalf of the C&AG of India,

**Sd/ -**

**Place : New Delhi**

**Date : 27.11.2012**
