### About the Campus

Shri Sadashiva Campus, Puri (Odisha) one of the largest Campuses of Rashtriya Sanskrit Sansthan, New Delhi, has a history, going back to 1865, when, as a result of the initiative of Late Pt. H.H. It became a school in 1888 under the supervision of a committee headed by the Collector of Puri. As a result of the untiring efforts of Shri Sadashiva Mishra, a brilliant alumnus of the Toll/School, the institution was given a rent-free gift of the present premises by the Government of Odisha and Bihar and was raised to the level of a college around the year 1918. In 1951, the state Government named the College after Shri Sadashiva Mishra in recognition of the services rendered by him to the institution. ### 6.3 Shri Ranbir Campus, Jammu (Jammu and Kashmir)

#### About the Campus

The sacred soil of Kashmir has witnessed the birth of such illustrious scholars as Kalhan, Bilhan, Mammata, Anandvardhan, Bharmah and Kshemendra whose literary compositions have greatly enriched Sanskrit literature. If contribution made by Jammu and Kashmir is segregated from Sanskrit literature the latter will certainly lose its lustre.

The Government of India had constituted Sanskrit Commission in 1954 for the teaching and propagation of Sanskrit. The chairman of this Commission was the celebrated scholar Prof. Suniti Kumar Chatterjee. He submitted his report after two years in 1956. He recommended that the centres of Sanskrit be opened in all states of India which would be converted into Universities in due course of time.

Sri Ranbir Singh, the noble son of Maharaja Gulab Singh, the founder of the state of Jammu and Kashmir, had unflinching love for Indian culture. He had constructed temples and opened Sanskrit Schools, dispensaries, libraries etc. for the enrichment and spread of Sanskrit.

He founded Sri Raghunath Sanskrit College in 1838 where not only students belonging to Jammu and Kashmir, but also from different parts of India and Nepal studied and obtained degrees.

Keeping the recommendation of the Sanskrit Commission in view the then Ministry of Education took a decision of establishing a centre of Sanskrit in the state of Jammu and Kashmir. Consequently Sri Raghunath Sanskrit College established by Maharajadhiraj Sri Ranbir Singh was taken over by the government on the 1st day of April, 1971 and its name was changed as Sri Ranbir Kendriya Sanskrit Vidyapeeth, Jammu.

In 2002 a Committee nominated by the University Grants Commission under the chairmanship of Prof. V.R.Panchmukhi made a declaration that Sri Ranbir Kendriya Sanskrit Vidyapeeth would thenceforth be known as

Rashtriya Sanskrit Sansthan (Deemed) University, Sri Ranbir Campus. On the next day in the presence of all the teachers and Professors in particular Prof. Priyatam Chand Shastri, Acting Principal, Prof. Kewal Krishna Shastri, Prof. Vishwamurti Shastri and also under the supervision of Prof. Yashpal Khajuria the foundation-stone of the new building of Sri Ranbir Campus, Kot-Bhalwal was laid down by Prof. Vempati Kutumb Shastri.

In compliance with the direction of the then Education Minister Sri Arjun Singh, Dr. Karan Singh inaugurated the new building of the Campus on the 18th day of March 2007. Thenceforward Prof. Vishwamurti Shastri worked as the first Principal of this new Campus.

On the occasion of the convocation of the Sansthan in New Delhi the Vice-Chancellor Prof. Radhavallabh Tripathi and the Human Resource Development Minister (Government of India) Shri Kapil Sibal inaugurated the Boy's and Girl's Hostels through Internet and on 27.02-10 on the occasion of the Annual Function of the Campus also uncovered stone carvings. Under the adroit leadership of the Ministry of Education, Hon'ble Vice-Chancellor of the Sansthan and Hon'ble Registrar thereof the Campus is progressing day by day.

In the context it is to be specifically mentioned that in the Annual Function held in the year 2009 the Vice-Chancellor had given permission to commence classes for Sikhacharya (M.Ed) course which will be of great advantage for students belonging to Jammu-Kashmir, Himachal Pradesh, Punjab and Haryana.

Upon supplication the Vice-Chancellor was graciously pleased to permit starting of the Department of Vedacharya from the session 2010-2011 which occasioned the commencement of a new auspicious division amongst the various departments of the campus.

The first Principal of this Vidyapeeth was Dr. Anant Maral Shastri who was succeeded by Dr. Dayanand Bhargava, Dr. J.Ganguli, Dr. Mandan

Mishra, Dr. Anant Maral Shastri himself as Principal-in-charge, Dr. Murlidhar Pandey, Dr. Jagannath Pathak, Dr. Raghav Prasad Choudhury, Dr. Ram Kishor Shukla Dr. Priyatam Chand Shastri (Principal-in-charge) and Dr. G.Ganganna respectively. Thereafter Prof. Yashpal Khajuria worked as Principal-in-charge.

## **7.3 SHASTRA CHUDAMANI SCHEME**

**The Scheme for the utilization of the services of Eminent Literary Scholars in Campuses of the Sansthan, Adarsh Sanskrit Pathashalas and other State Government run Sanskrit Colleges and Voluntary Sanskrit Organisations.**

### **Objective**

The object of the scheme is to preserve the

indepth study of various shastraic subjects in Sanskrit at the various centres where traditional system of Sanskrit education is being imparted to students. While in the ancient days, the system of education envisaged a full time association of the teacher and the taught for a period of about 12 years minimum and they had enough time to cover the various intricate Shastraic subjects in all details and the students had the opportunity to acquire mastery over particular subject in a comprehensive manner. In the recent past, the modern system of education, having prescribed syllabus for a limited period with selection from text-books, has influenced the Sanskrit education system as well and as a result even Sanskrit subject where students are supposed to have specialised at the Post Graduate level, due to shortage of time available, there is no scope for teaching the higher texts in detail and in full. As a result the products of this system, though they are quite proficient in the basic tenets of their subjects are lacking in indepth and exhaustive knowledge of the higher treatises written in these subjects.

Soon after they passed out of the post-graduate level, domestic needs compel them to enter into a bread winning avocation. Out of such post-graduate candidates we are now to recruit young teachers and Lecturers and though they are very much interested in pursuing their studies further, they dont have the facilities to do so in the institutions where they are employed. As a result while these Lecturers efficiently fulfil their part of coaching students for their respective examinations, they do not get eminence in their respective branches which their predecessors two or three decades ago were able to achieve. Their academic interest should not be exploited and their scholarly lacunae should be removed so that they are better equipped to serve the cause and would be able to produce a generation of students who would be really the masters in their respective subjects.

In order to achieve this objective, there are fortunately for us, a few old scholars still alive and physically and mentally alert and they may be usefully utilised for a few more years. They are not necessarily scholars with any university degree or qualifications but still they are

masters in their own fields and there would not be any compunction on the part of the young teachers to study under their feet. They will also be adding to the academic atmosphere of the institution and will be readily available to clear the doubts of both the teachers and the taught.

### **Implementation**

Under this scheme, not more than two scholars in each of the Campuses of the Rashtriya Sanskrit Sansthan, Adarsh Sanskrit Pathshalas, Sanskrit Universities and one scholar in established Sanskrit Colleges run by the State Government or substantially financed by the State Government and Voluntary Sanskrit organisation are normally appointed. Such appointments are made on recommendations of Grants-in-Aid Committee consisting of the experts on the basis of applications received through the concerned institution. The appointment so made is initially for a period of two years. An extension of one year may, however, be granted by the committee on the basis of specific report of the Head of the Institution. An honorarium of Rs. 6000/- per month is paid to the appointed scholar.

During the year under report, 91 Shastra Chudamani Scholars were selected for appointment in different institutions.

### **7.4 VOCATIONAL TRAINING SCHEME Financial Assistance to Registered Academic Organisations to conduct "Prayogic Prashikshan" to the products of Traditional Sanskrit Pathshalas/Institutions.**

With a view to creating employment opportunity for the traditionally educated candidates in some specialised departments, a scheme of extending financial assistance to registered academic bodies to provide short term orientation courses to the products of traditional Sanskrit Pathshalas/Institutions was introduced. The subjects to be taught are Manuscriptology, Cataloguing, Paleography, Sanskrit Typing and Short Hand, Jyotisha, Karmakanda and Epigraphy etc.. These training courses are conducted for different short terms;

normally for three to nine weeks. During this period, academic bodies may invite specialists in respective fields to give coaching to the students. Intending institutions are required to apply in a prescribed application form for holding any such programme. They have also to advertise the short term courses in the local news papers and invite applications from students who want to avail of it. There may be a normal registration fee of Rs. 5/- per student. Each student is paid an out of pocket allowance of Rs. 10/- per day for which he is given the training. The specialist instructor is normally paid an honorarium of Rs. 100/- per day.

Detailed applications are considered by an Expert/Grants-in-Aid Committee for making recommendations on merit. The Sansthan releases 75% of the total estimated expenditure as approved by the Committee in advance to the institution concerned and the remaining 25% on receipt of the audited accounts and a report of the vocational training course.

**Separate Audit Report of the Comptroller & Auditor General of India on the Accounts of Rashtriya Sanskrit Sansthan for the year ended 31 March 2013**

We have audited the attached Balance Sheet of the Rashtriya Sanskrit Sansthan as at 31 March, 2013, Income & Expenditure Account and Receipts & Payments Account for the year ended on that date under Section 20(1) of the Comptroller & Auditor General's (Duties, Powers & Conditions of Service) Act. The audit has been entrusted for the period up to 2012-13. These financial statements are the responsibility of the Sansthan's management. The financial statements include the accounts of 10 units of the Sansthan. Out of these, accounts of one unit were audited. Our responsibility is to express an opinion on these financial statements based on our audit.

2. The Separate Audit Report contains the comments of the Comptroller & Auditor General of India (CAG) on the accounting treatment only with regard to classification conformity with the best accounting practices, accounting standards and disclosure norms, etc. Audit observations on financial transaction with regard to compliance with the Law, Rules & Regulations (Propriety and Regularity) and efficiency-cum-performance aspects etc., if any, are reported through Inspection Report/CAG's Audit Report separately.

3. We have conducted our audit in accordance with auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidences supporting the amounts and disclosure in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.

4. Based on our audit, we report that:

- i) We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit.
- ii) The Balance Sheet, Income & Expenditure Account and Receipts & Payments Account dealt with by this report have been broadly drawn up in the format prescribed by the Ministry of Finance.
- iii) In our opinion, proper books of accounts and other relevant records have been maintained by the Rashtriya Sanskrit Sansthan in so far as it appears from our examination of such books.
- iv) We further report that:

**A. Balance Sheet**

**A.1 Assets**

**A.1.1 Investment**

The Government of India, Ministry of Finance vide Notification No. 5-88/2006-EPR dated 14.8.2008 had prescribed the pattern of investment to be followed for provident fund

**ANNEXURE—M(Contd...)**

investment. However, the RSS had deposited the whole amount of Provident Fund of ₹ 20.10 crore in terms deposits in banks.

**B Income & Expenditure Account**

**B.1 Income**

**B.1.1 Grant/Subsidies - ₹ 155.58 crore**

This includes capital grant of ₹ 3.30 crore resulting in overstatement of grant in Income and Expenditure Accounts and overstatement of surplus by the same amount.

**B.2 Expenditure**

**B.2.1 Depreciation ₹ 6.15 crore**

The above is overstated by ₹ 2.97 lakh due to application of higher rates of depreciation than those disclosed in the significant accounting policies by Allahabad Campus of the Sansthan. This resulted in understatement of Fixed Assets and overstatement of Expenditure by ₹ 2.97 lakh.

**C General**

The format of accounts of RSS is at variation from the Uniform format of accounts as detailed below :

(i) Many such heads viz. MSP Opening Balance, FDR(P.F.), Endowment Gurravayoor, etc. are appearing in the Balance Sheet which do not exist in the Uniform Format of accounts. The variation from the prescribed heads should be adopted only in case of specific requirements wherein the information could not be disclosed in any of the prescribed heads whereas the heads appearing in the Balance sheet of RSS are such that they can be merged within the prescribed heads.

(ii) The schedule No. to the heads of accounts has not been assigned seriatim. Schedule No. 5 has been assigned to the Fixed Assets whereas schedule No. 6 is for Capital Fund. Again schedule No. 7 is for the construction work in progress on the assets side whereas the schedule No. 8 is for Farmarked/Endowment Fund on liability side leading to confusion. Similarly a single schedule 3 has been prepared for all the income heads and schedule 4 for all expenditure heads and schedule 5 for depreciation. The schedules of accounts need to be prepared as per the format.

(iii) The accounts have been prepared on cash basis instead of accrual.

**D. Grant-in-aid**

During the year 2011-12, the Rashtriya Sanskrit Sansthan received a total grant of ₹ 155.58 crore ( Plan: ₹ 99.48 crore and Non Plan: ₹ 56.10 crore) from the Government of India, Ministry of Human Resource Development out of which ₹ 34.28 crore (Plan: ₹ 29.48 crore and Non Plan: ₹ 4.80 crore) was received in the month of March 2013. The Sansthan had unspent balance of ₹ 8.22 crore (Plan : ₹ 5.77 crore and Non Plan: ₹ 2.45 crore) of previous year. It also generated its own receipts of ₹ 4.09 crore (Plan: ₹ 0.87 crore and Non-Plan: ₹ 3.22 crore). It utilized ₹ 147.93 crore (Plan: ₹ 91.16 crore & Non Plan: ₹ 56.77 crore) leaving a balance of ₹ 19.96 crore (Plan ₹ 14.96 crore and Non-plan ₹ 5 crore).

**ANNEXURE—M(Contd...)**

**E. Management Letter :** Deficiencies which have not been included in the Audit Report have been brought to the notice of the Vice-Chancellor, Rashtriya Sanskrit Sansthan through a management letter issued separately for remedial / corrective action.

v. Subject to our observations in the preceding paragraphs, we report that the Balance Sheet, Income and Expenditure Account and Receipts and Payments Account dealt with by this report are in agreement with the books of accounts.

vi. In our opinion and to the best of our information and according to the explanations given to us, the said financial statements, read together with the Accounting Policies and Notes on Accounts, and subject to the significant matters stated above and other matters mentioned in Annexure to this Audit Report, give a true and fair view in conformity with accounting principles generally accepted in India:

a. in so far as it relate to the Balance Sheet of the state of affairs of the Rashtriya Sanskrit Sansthan as at 31 March 2013; and

b. in so far as it relate to the Income and Expenditure Account of the surplus for the year ended on that date.
