### **From the Desk of Vice-Chancellor**

I am extremely happy to present the Annual Report of 2022-2023 of Central Sanskrit University, Delhi. In this period the University has made giant strides towards its glorious future strengthening its commitment to excellence. This institution made its humble beginning as Rashtriya Sanskrit Sansthan in 1970 under the MHRD with additional responsibility to implement the Central Schemes as the Government's nodal agency. It became a Deemed to be University on 7th May, 2002. Finally, sequel to the approval of Hon'ble President of India, it was transformed into Central Sanskrit University from 30th April, 2020. It is a unique institution with its 12 campuses spread across India. It manages the administrative and financial management of 26 Adarsh Sanskrit Mahavidyalayas located in significant locations of India under Central Scheme for the promotion and popularisation of Sanskrit education and research. It also manages many affiliated Sanskrit institutions.

Each and every citizen and institution has a spirited response to the clarion call of the Hon'ble Prime Minister, Shri Narendra Modi for "Aatma-Nirbhar-Bharat". This institution proudly announces its role being played in this patriotic campaign. It is also a proud partner in playing a constructive role in rebuilding of the nation. This institution is committed to Sanskrit education and research to fulfill the dreamy and ambitious vision of the Hon'ble Education Minister, Shri Dharmendra Pradhan in making India as the global hub with the promotion of Indian Knowledge System. It is noteworthy in this context as the University has implemented the New Education Policy, 2020 from the current academic session itself with its new curriculum catering to NEP. It has initiated many activities conducive to NAAC guidelines to enhance the academic quality, which can increase in leaps and bounds in future. Its Information and Communication technology is very extensive and strong for the administrative transparency and for the quick action. With decentralisation of powers is in vogue, the administrative and leadership skill of the University is of certainly next level beyond any doubt.

It has organised many activities during this period of the celebration of Amrit Mahotsav of India's Independence. Under Amrit Mahotsav Granthamala, many socially relevant books have been published. It relentlessly pursues its mission of providing quality Sanskrit education, teaching and research and thereby helping in the achievement of national goals. It has taken up the gigantic task of the preservation of scriptures by using the most advanced technology. For the all round development of skills of students, it conducts various programmes like, All India Youth Festival, Sanskrit Saptah Mahotsav, Sanskrit Natya Mahotsav and other government directed programmes like Yoga Day, Teachers Day, Education Day, Hindi Pakhwada, Swachhata Saptah, Unity Day, Vigilance Awareness Week etc.

The University has accepted the huge challenge thrown at it by the disastrous and diabolic Corona pandemic. Online classes are conducted without putting the students and staff at life-threatening risk of Covid-19. Thus, a precious academic year could be saved. I have undertaken several notable skills based short term courses to be implemented in line with the guidelines of NEP, 2020. The curriculum has been designed accordingly to inspire and motivate the students to learn in an enlivened atmosphere. This institution certainly plays a pivotal role in fulfilling the dreams and the aspirations of our great visionary and dynamic Prime Minister and Education Minister. Glorious future belongs to this University without an iota of doubt. It is worth mentioning that the University has done a great work on NAAC accreditation through the successful submission of Self Study Report. Finally, I conclude on a thankful note expressing my gratitude to all my colleagues in bringing out this Annual Report with at most precision and accuracy. I also hope that the University attains its incredible and excellent status through the achievement of the highest standards.

With this hope, this Annual Report, 2022-2023 is presented with respect.

**Prof. Shrinivasa Varakhedi**  
Vice-Chancellor

Shri Raghunatha kirti Adarsha Sanskrit Mahavidyalaya (Estd.1908), Devprayaga, Uttarakhand was taken over by Rashtriya Sanskrit Sansthan on 16th June, 2016 as its 13th constituent Campus. The campus has been named after the famous ancient deity Shri Raghunathaji shrine in the ancient Raghunatha temple constructed in the Katyuri style of Katyuri dynasty of the mountains on the holy confluence of two important mythological rivers, namely, Bhagirathi and Alaknanda from where exactly the river Ganga is originated. Because of this cultural, spiritual and educational background, the campus was inaugurated here on 16.06.16. The former Sanskrit Mahavidyalaya has donated its premises with a vast land measuring 3.443 hectares and simultaneously the Govt. of Uttarakhand has also allotted some adjourned portion of land measuring 9.228 hectares. Now the campus has total land of 23 acres. The land with the complete approved lay-out plan has been handed over to CPWD (Shrinagar Branch) for the construction of the campus building. The first Foundation stone was laid by the honourable Governor of Uttarakhand Dr. K.K.Paul on 06.05.2017 whereas the Second Foundation stone was laid by Dr. Satyapal Singh, the honourable state Minister of Higher Education, Ministry of HRD, Govt. ### 2. Location of the campus:

So far as the geographical, historical, cultural, mythological and educational status is concerned, Devprayag comes in the state of Uttarakhand, popularly and culturally known as Devabhumi or the divine land. This state of Devabhumi is adorned not only with one of the famous Jyotirmathas called Shribadarikashrama but with one of the twelve jyotirlingas, namely, Shrikedarnatha. The province has the credit of being the sources of two vedic as well mythological rivers Ganga and Yamuna. Even today also the divine-souled (devatatma) Himalaya stands here as the measuring pole of the earth as if to glorify the state. According to the Kedarakhanda of the Skanda-Purana, the name Devprayaga came into existence on the very name of the sage Shri Deva Sharma who has undergone a severe penance in this auspicious place. Devprayag has the credit of being recognised as the first prayaga among the five prayagas of Uttarakhand, followed by Rudra prayaga, Karna Prayaga, Nanda prayaga and Vishnu prayaga respectively. The small but important hilly town Devprayag is surrounded with at least three series of mountains, namely, Griddhanchala, Dasharathanchala and Nrisimhanchala etc. The Nrisimhanchala-part of Devprayaga was famous earlier as a centre of learning in entire Uttarakhand being categorically named as vidyakshetra where exactly the campus is situated now. It is the only state where Sanskrit is accepted as its second official language.
