Reference Document:	Website Security Audit Report v2.0(Final)_09-November-2023_Central Sanskrit University
Final Test Result:	The website has been audited for security on test URL and certified to be safe from vulnerabilities as per OWASP & SANS Standards and is declared safe for hosting with Read only permissions as per recommendations below.

Recommendations and mandatory requirements for Hosting in Production Environment:

- Latest and stable TLS version should be used and disable weak SSL cipher suites.
- Web Server and OS Level hardening be done on the production server before deployment.
- Use the latest and stable version of all the software components in the application.
