MEMORANDUM OF UNDERSTANDING

The Central Sanskrit University has the unique distinction of being the largest and the only multi-campus language university in the world. The Central Sanskrit University also has the privilege of acting as the nodal agency for the implementation of Sanskrit-related policies & schemes of the Government of India. In that capacity, the university works in close coordination with the Ministry of Education, Government of India.

The **Spoken Tutorial project developed by IIT Bombay** for MOU, Government of India is an initiative, launched by the Ministry of Education, Government of India, to advocate and popularize numerous Open Source software and their utilization.

The Spoken Tutorial project intends to provide the opportunity to conduct software training from ST-IIT Bombay to all/selected affiliated campuses of the University. As the program is funded by the National Mission on Education through ICT, MOU, Government of India, **Spoken Tutorial agreed to charge Rs.25000 per Institution to offer training to faculty and students of campuses coming under the affiliation of the University** The program will provide the following benefits to the students.

Students and Teachers receive hands-on training through FOSS (Free and Open Source Software) like Linux, Scilab, LaTeX, PHP & MySQL, Java, C/C++, Libre Office, etc. The students who complete the required training hours will be awarded Certificates by Spoken Tutorial Project, IIT Bombay.

The training enhances IT, Software skills and employability for the students and **any number of students and faculty can take any number of courses and Certificates in a year in the campus.**
