("Effective Date"), by and between:

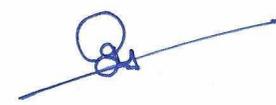

छात्रपतिशिवजी जयन्ती

1. **Central Sanskrit University**, established by an Act of Parliament and formerly known as Rashtriya Sanskrit Sansthan, deemed to be University, under Ministry of Education, Government of India, New Delhi ("**Central Sanskrit University**") having its headquarter at 56-57, Institutional Area, Janakpuri, New Delhi – 110058 represented by Prof. R.G. Murali Krishna, Registrar & Authorised Representative (which expression shall, unless repugnant to the meaning or context thereof, be deemed to include its executors, representatives, administrators, successors and assigns);
2. **Immverse Innovations Pvt. Ltd. ("Immverse AI")** having its registered office at 3, New Verma Layout, Opp. Ambazari Lake, Nagpur, Maharashtra, 440010; through its authorized signatory **Mr. R. Ramakrishnan, Director** of Immverse AI (which expression shall, unless repugnant to the meaning or context thereof, be deemed to include its executors, representatives, administrators, successors and assigns);

Central Sanskrit University and Immverse AI are hereinafter together referred as "Parties" and individually as "Party".

- A. Central Sanskrit University ("**CSU**"), established by an Act of Parliament as a Central University, is dedicated to the promotion, preservation, and advancement of Sanskrit learning and Indian Knowledge Systems ("**IKS**");
- B. CSU envisions the transformation of Sanskrit education into a world-class domain, aiming to re-establish Bharat as "*Vishwa Guru*" by integrating Sanskrit heritage with innovation, contemporary knowledge and global scholarship;

- C. CSU's mission is to create new knowledge based on Sanskrit heritage, promote Indian Knowledge Systems in all relevant fields, bring Sanskrit into mainstream education, connect the Sanskrit fraternity with modern academia, and make Sanskrit a vibrant field of multidisciplinary research;
- D. CSU's objectives include dissemination of Sanskrit knowledge through research, instruction, and innovation; creation of integrated programmes across humanities, social sciences and sciences; and fostering innovation in teaching, learning, and interdisciplinary research;
- E. Immverse AI, headquartered in Nagpur with a global presence, is a pioneering Indian enterprise in the field of Generative Artificial Intelligence (AI) and immersive learning technologies, dedicated to developing indigenous AI models rooted in the Vedas, Upanishads, and IKS;
- F. Immverse AI has been recognized by the Hon'ble Prime Minister of India, Shri Narendra Modi, for its path-breaking contribution towards building India's own foundational AI models and for its alignment with the vision of "India as a Global AI Innovation Hub" and has been awarded "Best Use of Conversational AI" at the Global AI Summit & Awards 2024, and has received recognition from national and international forums including NVIDIA, and Global Partnership on AI (GPAI) for its pioneering research in AI for cultural and linguistic preservation
- G. Immverse AI's flagship projects "BharatiyaGPT", "BharatiyaLLM" and "Bharatiya AI Foundry Lab" aim to bridge Sanskrit and Indic knowledge with next-generation AI, creating transformative tools for education, research, and national innovation

Now, therefore, recognising the need to bridge Sanskrit and modern technological innovations, Central Sanskrit University and Immverse AI agree to collaborate towards advancing AI-enabled Sanskrit research and education under this Memorandum of Understanding:

1. **PURPOSE**

The purpose of this MoU is to establish a framework for collaboration between CSU and Immverse AI towards joint research, development, and dissemination of AI-enabled Sanskrit learning and IKS innovations, consistent with CSU's vision of making Bharat a "Vishwa Guru."

2. **TERM & TENURE**

This MoU shall remain in force for a period of 05 (five) years from the date of signing, unless extended by mutual consent in writing.

3. **AREAS OF COLLABORATIONS**

The Parties agree to collaborate in the following areas of research and innovation:
